I was so high I did not recognize
The fire burning in you eyes
The chaos that controlled my mind
Whispered goodbye as she got on a plane
Never to return again
But always in my heart
Sing it if you know it
Oh!

This love has taken its toll on me
She said goodbye too many times before
And her heart is breaking in front of me
And I have no choice, cause I can't say goodbye
anymore

I did my to keep her satisfied
To keep her bla bla bla bla bla
Jabep bep bop ja babye
I don't know any of the words to this damn song
So if I really get them mostly wrong
Babap bop bep pa
Butto oh..

And this love has taken its toll on me
She said goodbye too many times before
And her heart is breaking in front of me
And I have no choice, cause I won't can't say goodbye
anymore

That was good!
