Someone to care  
Someone to share  
Those lonely hours  
And moments of despair

To be loved  
To be loved  
Ooh  
Whatta feelin  
To be loved  
Yee  
Someone to kiss  
Someone to miss  
When you're away  
To here from each day  
To be loved  
To be loved  
Ooh  
Whatta feelin  
To be loved  
ooh  
Some wished you be  
A king or a queen  
Some wish for fortune and friends  
But you'll be truly  
Truly truly love  
But there's more  
one of these things  
You want  
Someone to kiss  
Someone to miss  
When you're away  
To here from each day  
To be loved  
To be loved  
Ooh  
Whatta feelin  
To be loved  
Ooh  
But to feel  
Truly love baby

There's more  
One of these things  
Someone to miss  
Ooh someone to kiss  
When you're away  
To here from each day  
To be loved  
To be loved  
Ooh  
Whatta feelin  
To be loved  
To be loved  
To be loved  
To be loved  
ooh  
Whatta feelin  
To be loved
