When you're smilin'
When you're smilin'
The whole world smiles with you.
And when you're laughin'
When you're laughin'
The sun comes shinin' through.

When you're cryin',
You bring on the rain,
So, stop you're sighin',
Won't you be happy again!

When you're smiling,
Keep on smilin'
And the whole world smiles with you

When you're smilin'
You bring on the joy
Be happy
You got to groove my boy

When you're smiling,
Keep on smilin'
And the whole world smiles with you

Cause I'm the sheik of Araby
(Put your turban on)
Your love belongs to me

At night when you're asleep
(Put your turban on)
And the stars that shine above
We'll light our way to love
We'll rule this crazy land
Just me & you
Cause I'm the king of babalu
