You are my destiny, you share my reverie.  
You are my happiness, that's what you are.  
(You're my destiny.)

You have my sweet caress, you share my loneliness.  
You are my dream come true, that's what you are.  
(You're my destiny.)

(Doo-doo-doo-doo.)

Heaven and heaven alone, can take your love from me.  
(Ah-ah-ah-ahh.)  
'Cause I'd be a fool to ever leave you, dear.  
And a fool I'd never be.

You are my destiny, you share my reverie.  
You're more than life to me, that's what you are.

You are my destiny, you share my reverie.  
You are my happiness, that's what you are.  
(My destiny.)
