You know (what?)

You know (what?)

You know (what?!)

You know, you know, you know--

You must have been a beautiful baby

Ah, you must have been a beautiful child

Oh, when we were only startin' to go to kindergarten

Yes you drove those other childs wild - yeah oh yeah

I believe when it came to blue ribbons

Ah, I bet you taught those other kids how

Well, I can see the judges' eyes when they handed you the prize

You had the cutest bow.

Well, you must've been a beautiful baby

Ah, 'cause baby won't you look at you now?

Oh, you know, you know

You must have been a beautiful baby

Ah, you must have been a beautiful child

Oh, when we were only startin' to go to kindergarten

I bet you drove those other childs wild - yeah oh yeah

I believe that when it came to blue ribbons

Ah, I bet you taught those other kids how

Well, I can see the judges' eyes when they handed you the prize

You had the cutest bow.

Well, you must've been a beautiful baby

Ah, 'cause baby won't you look at you now?

I said, "Baby, won't you look at you now?"

I said, "Baby, won't you look at you now?"
