Intro:

(Jacqueline D. Scott): "Hi Baby"

(Michael Cooper): "How you doin' baby?"

Oh

(Jacqueline D. Scott): "I Hope You'll be with me tonight. I have a lot of things I want to show you, I just wanna..."

(Michael Cooper): "Someone say ow. ooo yeah"

(Jacqueline D. Scott): "...do what you want me to. Have a fireplace going, a nice bottle of wine, just you and me"

(Michael Cooper):

Shoop shoop, shoop shoop

Now it's nice to know

With you, I'm needed so

Shoop shoop, shoop shoop

Yes, baby

Shoop shoop, shoop shoop

And it's plain to see

With me, you wanna be

Shoop shoop, shoop shoop

Yeah, yeah, oh, oh

Love taught me

It's you that I need

Now I know I can

Never stop giving good love

oh baby, (honey)

You know you're on my mind

Sugar, all the time

And now I know I can

Never stop giving good love

Oh, baby

(honey)

Now I want you, girl  
I believe in you honey  
I can't believe it that I'm  
Living my life without you

Shoop shoop, shoop shoop oh  
Never stop giving you love  
Sweet baby, sweet baby  
Never stop giving in your heart

Shoop shoop, shoop shoop  
Aww, never stop giving you love  
Oh, oh, oh, oh

Shoop shoop, shoop shoop  
It's all right tonight  
If you squeeze my body so

(Jacqueline D. Scott): "Oh you know I want to hold you"

Shoop shoop, shoop shoop  
We go round and round  
Til my love comes tumbling down

(Jacqueline D. Scott): "Yes. Come on baby"

Woo

You know I'm on the phone  
With you all night long  
And now I know I can  
Never stop giving good love

Oh, baby, Lovin to me  
Lovin to me, Lovin to me  
Lovin to me, Lovin to me  
Lovin to me, lovin me alone

Oh, baby, sweet baby  
Oh, baby I want you, girl  
I believe in you honey  
I can't believe it that I'm  
Living my life without you

Shoop shoop, shoop shoop  
Never stop giving good love  
Come on, baby, come on, baby  
Come on, baby

Shoop shoop, shoop shoop  
Never stop giving good love

Come on, baby, come on, baby  
Come on, baby

Got it, you're mine, all right  
tonight

Shoop shoop, shoop shoop  
Never stop giving good love  
Come on, baby, come on, baby  
Come on, baby

It's you and me, it's you and me  
It's all right tonight  
Shoop shoop, shoop shoop  
You and me...  
It's all soo good, yeah yeah.  
Oh, I believe, I believe baby  
(shoop Shoop)  
(Lovin to me)  
(Lovin to me)  
(Lovin to me)  
it lovin tonight oo.  
(Fade out)
