Sister, you've been on my mind
Oh sister, we're two of a kind
So sister, I'm keepin' my eyes on you

I bet you think I don't know nothing but singin' the blues
Oh sister, have I got news for you, I'm somethin'
And I hope you think that you're somethin' too

Sufferin', I've been up that lonesome road
And I've seen a lot of suns goin' down
Oh, but you've got to trust me, no low life's gotta run
me around
So let me tell you somethin'

Sister, remember your name
No mister, gonna steal your stuff away
My, sister, well we sure ain't got a whole lot of time

Ooh sufferin', I've been up that lonesome road
And I've seen a lot of suns goin' down
But trust me, no low life's gotta run me around
So let me tell you somethin'

Sister, remember your name
No mister's, gonna steal your stuff away
My, my sister, well we sure ain't got a whole lot of time
So shake you shimmy, oh my sister
'Cause honey this girl is feelin' oh so fine
