Heartbreak Monday

I'm your best friend
and you know it
you've been hurting
and you show it
I want to help you thru this
and i can

so you call me
you know i care
when you need me
i am right there
you seem to go thru this
all the time

a heartbreak on monday
you cried awake all sunday
and i don't want to see you hurt anymore

when he holds you
does it feel right
i could warm you
thru the cold night
if i had that chance,
there would never be

another heartbreak on monday
you cried awake all sunday
and i don't want to see you hurt anymore
another heartbreak on monday
you cried awake all sunday
and i don't want to see you hurt anymore

a heartbreak on monday
you cried awake all sunday
and i don't want to see you hurt anymore

It's another heartbreak on monday
you cried awake all sunday
and i don't want to see you hurt anymore

It's another heartbreak monday
you cried awake all sunday
and i don't want to see you hurt anymore

It's another heartbreak monday

Heartbreak Monday
