when will i learn from my mistake

I thought you were  
my perfect dream  
but the you I saw  
i did not see  
when we make love  
it's like a hurricane  
the tears i cry  
they fall like rain

she sounded sweet and mean  
the kind that causes a scene  
she never asked for love  
but she's get's it  
i know she's using me  
it's so plain to see  
she's got to have it all  
and she gets it

i looked at her,  
i'm hypnotized  
there's danger there  
in those dark eyes  
I've got to run  
to save my soul  
i need her fire  
oh my heart's so cold

I know she's sweeter than mean  
the kind that causes a scene  
she never asked for love  
but she's get's it  
i know she's using me  
it's so plain to see  
she's got to have it all  
and she gets it

when will I learn from my mistake  
how much more of me can she take

she sounded sweeter than mean  
the kind that causes a scene  
she never asked for love  
but she's get's it  
i know she's using me  
it's so plain to see  
she's got to have it all  
and she gets it

she sounded sweeter than mean  
the kind that causes a scene  
she never asked for love  
but she's get's it  
i know she's using me  
it's so plain to see  
she's got to have it all  
and she gets it

oh I thought you were  
my perfect dream

when we make love  
it's like a hurricane

oh when will i learn  
from my mistake
