Confusion is calling my name
I hear it in the wind
seclusion, a recluse again
it's such a lonely time
hold on, i cannot wait any longer
there is so much that is unexplained

photograph of you in the sand
trying so hard to make you understand
confusion your out of my hands
live like the wind for as long as you can

confusion when I sleep alone
I hear a lonely voice
intrusions into my privacy
when i get home

hold on I am the one who is stronger
there is so much that I could say
photograph of you in my arms
trying so hard just to keep me from harm
confusion is out of my hands
live like the wind for as long as we can

can we really know?
can you tell me?
will the heartbeat
when the love is gone
oh, taking all my time
oh so selfishly
i hear you love the photograph

photograph
a photo of you
starts to remind me of what we should do
of you in my heart
makes me desire a way we could start
confusion
makes me desire a way we could start
can you really know
can you tell me

makes me desire
will the heartbeat when the love is gone?

oh taking all my time
so selfishly
I see you love
the photograph
taking all my time
so selfishly
