"Question of Time"

I felt passion inside of me for so long
i know it happens once in your life
don't let it go wrong

I hope my apprehension
stands the test of time
I do love you
it's a question of time
for my heart to decide
it's a question of time

i feel a rush when i hear your voice
or when i touch you
i feel emotion into the night
and thru the day too

i hope my hesitation
changes within time
i do love you
it's a question of time
for my heart to decide
it's a question of time

i do love you
it's a question of time
for my heart to decide
it's a question of time
it's a question of time
it's a question of time
I do love you baby

I do love you
it's a question of time
for my heart to decide
it's a question of time
i do love you
it's a question of time
for my heart to decide
it's a question of time
it's a question of time
i do love you
