I tried to paint a picture
so I used the color red
but all i felt was the pain in my heart
by the words that you said

don't go away
don't go
i need you know
and even more each day

i'll try a touch of grey
to soften what i say
i mix the two
i see me & you
believe in what i do
believe in what i say
don't go away
don't go
i need you now
and even more each day
don't go away
don't go
i need you now
and even more each day

track a miricale
turn & stay
turn
don't you ever go
don't go away
don't go
i need you now,
and even more each day
don't go away
don't go
i need you now
and even more each day
each....
I need you now
don't go away
