everybody has a different point of view
in this life what they say what they feel and what they
do
i don't want to change the world anyway
I just want to see you smile
there are some things I'd wish you'd say
Oh, If you love someone
you would know the feelings I have for you
If you held someone
you would feel the warmth that I feel for you
I need you now
I don't want everything,
just to be close
but you turn from my love
money don't matter to me
I just want to be with you
please don't turn from my love
time is not a problem in my heart for you
i don't want to rush you girl
i just pray you feel the way I do
in this life we live
there's people so untrue
how can i prove i'm different
and i want to spend my life with you
Oh, If you needed someone
you should know the feelings I have for you
locked inside this spirit are the eye's of you
open up your heart and let your love shine to
I need you now
I don't want everything,
just to be close
but you turn from my love
money don't matter to me
I just want to be with you
please don't turn from my love
Oh, if you love someone
you should know the feelings that I have for you
I've got this feeling so strong so true
such a burning desire to be with you
I need you now
I don't want everything

just to be close
but you turn from my love
stop turning away
money don't matter to me
i just want to be with you
please don't turn from my love
I don't want everything
just to be close
but you turn from my love
stop turning away
money don't matter to me
i just want to be with you
please don't turn from my love
ooooh oooohh
don't turn away.....
oooooh oooohh
don't turn away.....
ooooh oooohh
don't turn away.....
oooohhh oooohh
