This one goes out to you and yours, worldwide

I say, hey, I be gone today  
But I be back around the way  
Seems like everywhere I go  
The more I see, the less I know  
But I know one thing that I love you, baby girl  
I love you, I love you, I love you

I've been a lot of places all around the way  
I've seen a lot of joy and I've seen a lot of pain  
And I don't want to write a love song for the world  
I just want to write a song about a boy and a girl

Junkies on the corner, always calling my name  
And the kids on the corner playing ghetto games  
When I saw you getting down, girl, I hoped it was you  
And when I looked into your eyes I knew it was true

I say, hey, I be gone today  
But I be back around the way  
Seems like everywhere I go  
The more I see, the less I know  
But I know one thing that I love you, baby girl  
I love you, I love you, I love you

Now I'm not a highly metaphysical man  
But I know when the stars are aligned you can  
Bump into a person in the middle of the road  
Look into their eyes and you suddenly know

Rocking in the dance hall, moving with you  
Dancing in the night in the middle of June  
My momma told me don't lose you  
'Cause the best luck I had was you

I say, hey, I be gone today  
But I be back around the way  
Seems like everywhere I go  
The more I see, the less I know  
But I know one thing that I love you, baby girl

I love you, I love you, I love you

And I say, rocking in the dance, hall moving with you  
I say, hey mamma, hey mamma, close to you  
Rocking in the dance hall, moving with you  
I say, hey, trippa, trippa, got to shoot

Rocking in the dance hall, moving with you  
I say, hey mamma, close to you  
Rocking in the dance hall, moving with you  
I say, hey mamma, hey mamma, hey mamma, hey  
mamma  
Hey mamma, hey mamma, hey mamma, hey mamma

My mamma told me don't lose you  
'Cause the best luck I had was you  
And I know one thing that I love you

I say, hey, I be gone today  
But I'll be back around the way  
It seems like everywhere I go  
The more I see, the less I know

I say, hey, I be gone today  
But I'll be back around the way  
It seems like everywhere I go  
The more I see, the less I know  
But I know one thing that I love you, baby girl  
I love you, I love you, I love you

I love you, I love you, I love you  
I love you, I love you, I love you  
I love you, I love you, I love you

Rocking in the dance hall, moving with you  
I say, hey papa, hey papa, hey mamma, hey mamma  
Rocking in the dance hall, moving with you  
Come on, hey papa, hey papa, come to shoot  
(Hey mama, hey mama)
