Father comes home from work and he's scared to death
Mother cries for the kid, in that note she read
Father runs to the table, he said "What's going on?"
Mother cries in disbelief "Our little baby is gone!"

Do you know where your children are,
Because it's now 12 o'clock.
If they're somewhere out on the street,
Just imagine how scared they are.

Do you know where your children are,
Because it's now 12 o'clock.
If they're somewhere out on the street,
Just imagine how scared they are.

She wrote that she is tired of step-daddy using her
Saying that he'll buy her things, while sexually abusing her
Just think that she's alone somewhere out on the street
How will this girl survive? She ain't got nothing to eat!

Do you know where your children are,
Because it's now 12 o'clock.
If they're somewhere out on the street,
Just imagine how scared they are.

Do you know where your children are,
Because it's now 12 o'clock.
If they're somewhere out on the street,
Just imagine how scared they are.

Save me, From this living hell
Save me, Coz thats not what i do
Save me, I'm tired of dad
Save me, Coz this is nothin' (Aoww)
Save me, Coz i'm on the curb
Save me, Coz i don't wanna go
Save me, Coz terror is rising
Save me, Aoww

Now she's on the move, she's off to Hollywood
She says she wanna be a star, she heard the money's
good
She gets off from train station, the man is waiting there
"I'll show you what the money is, girl, just let down your
hair"
He's taking her on the streets of Sunset Boulevard
She's selling her body hot, girl that will you far
The police come around the corner, somebody they
told
He's arresting this little girl, she's only 12 years old!

Do you know where your children are
Because its now twelve o'clock
If they're somewhere out on the street
Just imagine how scared they are
Do you know where your children are
Because its now twelve o'clock
If they're somewhere out on the street
Just imagine how scared they are
