I know you told me  
Such a long time ago  
Well, you didn't, you didn't want me around, baby,  
yeah  
Hey, hey, you didn't love me no more

But I know something, yeah  
That makes me be  
I just want to say, yeah  
I just want to say, yeah

I've been a fool for you, baby  
(I've been a fool so long)  
I've been a fool for you, baby, yeah

Oh, it's not your clothes, yeah  
It's not your, it's not your walk  
It's not your easy, yeah, yeah, yeah, yeah  
It's not your, it's not your easy baby talk, yeah, yeah, oh

I know something, it must be somethin', yeah  
Ooh, oh, that makes me feel,  
Oh, that makes me feel

That I've been a fool for you, baby, yeah  
(I've been fool for you so long)  
I've been a, I've been a fool for you baby, yeah

Did ya ever wake up in the morning?  
Just about the, just about the break of day  
You reach over, you reach over and feel the pillow,  
yeah, yeah, yeah  
Ooh, where your baby, where your baby used to lay,  
yeah, yeah

Then you put, then you, then you put on your crying,  
yeah  
Like you never, like you never cried before, yeah, yeah  
I said, I said, I said you ever, you ever cried so loud,  
yeah  
You give the blues, you give the blues to the neighbor  
next door

Ever since, ever since you were one, two, three, four,  
five years old  
Yeah, I've been a, I've been a fool for you baby, baby,  
yeah  
Way down in my, way down in my soul, yeah, yeah

I know it must be, I know it must be something, yeah  
Something, yeah, that makes me feel, that makes me  
feel

I've been a fool for you, baby, yeah  
Oh, oh, I've been a fool for you, baby  
(I've been fool for you so long)  
Ooh, oh, oh, I've been a fool for you, yeah  
(I've been fool for you so long)  
'Cause it's, 'cause it's, 'cause it's in my soul, yeah,  
yeah, yeah  
(I've been fool for you so long)

Fool, I've been a fool, I've been a fool, I've been a cool  
fool, yeah  
(I've been fool for you so long)  
Oh, oh, I've been a fool for you, baby, yeah  
(I've been fool for you so long)  
Oh, oh, I've been a fool for you, baby, yeah  
(I've been fool for you so long)
