A buh, buh, buh, buh, buh  
A buh, buh, buh, buh, buh

You went to school to learn, girl  
Things you never, never knew before  
Like I before E except after C  
And why 2 plus 2 makes four?

Now, now, now, I'm gonna teach you  
Teach you, teach you  
All about love, dear, all about love  
Sit yourself down, take a seat  
All you gotta do is repeat after me

Abc, easy as 123  
Or simple as do, re, mi  
Abc, 123, baby, you and me girl  
Abc, easy as 123  
Or simple as do, re, mi  
Abc, 123, baby, you and me

Come on, let me love you just a little bit  
Come on, let me love you just a little bit  
I'm a going to teach how to sing it out  
Come on, come one, come on  
Let me show you what it's all about

Reading, writing and arithmetic  
Are the branches of the learning tree  
But without the roots of love every day, girl  
Your education ain't complete

T-t-teachers gonna show you  
Show you, show you, how to get an A  
Nyah, nyah, nyah, nyah, nyah, nyah  
Spell me you, add the two  
Listen to me baby, that's all you gotta do

Abc, easy as 123  
Or simple as do, re, mi  
Abc, 123, baby, you and me girl  
Abc, easy as 123

Or simple as do, re, mi  
Abc, 123, baby, you and me

Sit down, girl, I think I love you  
No, get up, gir, show me what you can do

Shake it, shake it, baby, come on now  
Shake it, shake it, baby, ooh, ooh  
Shake it shake it, baby, huh  
Abc, baby, ooh, ooh  
123, baby, nah nah  
Do, re, mi, baby, huh  
That's how easy love can be

Abc, abc, it's easy

Easy as 123  
It's like counting up to 3  
Or simple as do, re, mi  
Sing a simple melody  
That's how easy love can be
