Why did you let him get away?  
After the staring, what did you say?  
Shot me down as cold as ice  
Scream in my face then pushed you back  
She should have spied down his skin  
Now it's my job to get revenge

Why did you let him get away?  
Why did you let him get her?

Too bad, forget it  
'Cause Al Capone said it  
So sad, regret it  
'Cause a madman's out tonight

You should have told her  
Nobody ever showed her about us  
No one's sleeping  
Nobody should be grievin' this way

You should have told her  
Nobody ever showed her about us  
No one's sleeping  
Nobody should be grievin' this way

Why did you let him get away?  
After the staring, what did you say?  
Shot me down as cold as ice  
Scream in my face then pushed you back  
She should have spied down his skin  
Now it's my job to get revenge

Why did you let him get away?  
Why did you let him get her?

Too bad, forget it

'Cause it's Al Capone said it  
So sad, regret it  
And it told her out tonight

You should have told her  
Nobody ever showed her about us  
No one's sleeping  
Nobody should be grievin' this way

You should have told her  
Nobody ever showed her about us  
No one's sleeping  
Nobody should be grievin' this way

Oh!

Too bad, forget it  
'Cause it's Al Capone said it  
So sad, regret it  
And a man is out tonight

You should have told her  
Nobody ever showed her about us  
No one's sleeping  
Nobody should be grievin' this way

You should have told her  
Nobody ever showed her about us  
No one's sleeping  
Nobody should be grievin' this way

You should have told her (should have told her)  
Nobody ever showed her about us (oh, ba-da)  
No one's sleeping(no-one's lovin')  
Nobody should be grievin' this way (oh-oh)

You should have told her  
Nobody ever showed her about us  
No one's sleeping  
Nobody should be grievin' this way

Oh!

Why did you let him get away?  
After the staring, what did you say?  
Shot me down as cold as ice

Scream in my face then pushed you back  
She should have spied under his skin  
Now it's my job to get revenge

Why did you let him get away?  
Why did you let him get away?
