#### 1st Verse

I don't like it, baby  
When you're stopping me on the floor  
'Cause the more I keep on dancing  
The more I keep wanting some more

#### 2nd Verse

I don't care what you're saying  
You're talking in my ear much too loud  
And the music's taking my body  
On a trip from nine to five

#### Chorus

Keep me dancing all night  
All night, all night

#### 3rd Verse

Gonna dance up fire  
Calling engine number 109  
There ain't no chains to hold me  
Gonna burn this place down till five

#### 4th Verse

You can't stop this fever  
'Cause my temperature is burning hot  
And all I wanna do is dance, dance  
Sweating from my face to my feet

#### Chorus

Keep me dancing all night  
Keep me dancing all night  
Keep me dancing all night  
Keep me dancing all night  
All night, all night

#### Chorus

Keep me dancing all night  
Keep me dancing all night  
Keep me dancing all night  
Keep me dancing all night  
All night, all night
