you are the promise kiss of spring time that makes the  
lonely winter seem long.

you are the breathless hush of evening that trembles  
on the brink of a lovely song.

you are the angel glow that lights a star but there is  
things i know are what you are.

some day my happy arms will hold you and some day  
i'll know that moment's devine when all the things you  
are,are mine.

you are the angel glow that lights a star but there is  
things i know are what you are.

some day my happy arms will hold you and some day  
i'll know that moment is devine when all the things you  
are,are mine yeah yeah.

all the things you are,are mine,some day my arms will  
hold you now.

all the things you are gonna be mine.
