My life
has taken me beyond the planet and the stars.
And your the only one that can take me this far.
I'll be forever searching for your love.
Whoooooa.

(Michael + Lenny)
I'll admit when I was wrong
I can't wait -- wait another day.
You're the one that makes me strong
I can't wait -- wait another day.
You're the fire that keeps me warm
I can't wait -- wait another day
How will I live through the storm
I can't wait another day without your love

Hoo Hoo
C'mon now,
At night (at night)
I pray before I sleep, in hope of finding stars
and your the only one that could take me this far.
I'll be forever searching for your love.
Whooooa!

(Michael + Lenny)
I'll admit when I was wrong
I can't wait -- wait another day
You're the one that keeps me strong
I can't wait -- wait another day
You're the fire that keeps me warm
I can't wait -- wait another day
How will I live through the storm
I can't wait another day without your love.

C'mon now
hooo hooo
hooo hooo
C'mon now
hooo hooo
whooooa!

(Michael + Lenny)

I'll admit when I was wrong
I can't wait -- wait another day
You're the one that keeps me strong
I can't wait -- wait another day
You're the fire that keeps me warm
I can't wait -- wait another day
How will I live through the storm
I can't have another day without your love.

I'll admit when I was wrong
I can't wait -- wait another day
You're the one that keeps me strong
I can't wait -- wait another day
You're the fire that keeps me warm
I can't wait -- wait another day
How will I live through the storm
I can't have another day without your love.
Hoo Hoo
Hoo Hoo.
