(Verse)

All along I had to talk  
About it  
Like a two edged sword,  
He touched you and it stabs me  
All along I knew you were  
A phony girl  
You sit behind the mask  
And you control your world  
I sit around and i watched your face  
I try to find the truth  
But that's your hiding place  
You Say You Love Me But It's Hard To See  
Cause when he's in Your arms  
Your throwing rocks at me

(Bridge)

Who do you love?  
Is it me? Well ?  
I don't know  
Who do you love?  
...  
You know me

(chorus)

There is nothing in your eyes  
(there is nothing in your eyes)  
That's the way you cry  
(but that's the way you cry, girl)  
All is grand, all is bright  
(all is grand, all is bright)  
You're just studyng my mind  
(you're just studyng my mind)

(Verse 2)

I Walk around suffering in my doom  
When i come to you  
Your sitting in your room  
You sit around in the strangest place  
So take off the mask  
So i can see you face

(Bridge)  
Who do you love?  
Is it me?  
Is it him? Well?  
I don't know!  
Who do you love?

i want you  
i know you

Heaven must be wearing  
(heaven must be wearing)  
Your smile is scary  
(you got me scared, girl)  
Insincere, empty tears  
Where's your soul?  
(you got me scared girl)  
Where did it go?

Heaven must be wearing  
(heaven must be wearing)  
You smile is scary  
Insincere, empty tears  
Where's your soul?  
Where did it go ?

(eh, eh , eh..)

I Walk around suffering in my doom  
And when i come to you  
Your sitting in your room  
You sit around in the strangest place  
So take off the mask  
So i can see you face

(Bridge)  
Who do you love?  
Is it me?  
Is it him?  
I dont know  
Who do you love?  
I know you

(Bridge)  
Who do you love?  
Is it me?  
Well?  
I don't know  
Who do you love?

I don't know

I don't wanna talk about it (let's talk about it)
