see you out on the block  
with your man,  
got me on the stand  
girl why you hanging around  
when he put u down  
so i gotta put you up on me  
cause it's a shame  
that girl you settle for less  
when u know that im blessed

hook:  
you need to open up you're mind (you're mind)  
give me the chance to get inside  
(to get inside)

Chorus:  
i can i can  
do it better than he can  
i will i will  
be a bigger man  
i am i am  
everthing you need and more  
can i can i  
show you im a bigger man

let me know  
when he can't please you  
i'll come right through  
he'll give inches or for miles  
i can make you smile  
cause i no that you  
might be afraid to  
walk away  
but i'll protect you  
from him  
so let the games began

hook:  
you need to open up your mind  
(open up your mind)  
give me the chance to get inside  
(to get inside)

Chorus:  
i can i can  
do it better than he can  
i will i will  
be a bigger man  
i am i am  
everything you need and more  
can i can i  
show you im a bigger man

break down:  
i know  
(i know)  
for sure  
that he can never measure up  
cause i got so much more  
to give you  
more

Chorus:  
i can i can  
do it better  
i will i will  
be a bigger man  
i am i am  
everything you need and more  
can i can i  
show you im a bigger man  
i can i can  
do it better  
i will will  
oh ay oh  
i am i am  
yea  
can i can i  
show you im a bigger man  
oh ay oh
