Sony's out here tellin the world its Michael Jackson
They're out here sellin this song as Michael Jackson
Just when you thought it was wrong they go and do it
again

Pushin this around the world today
You know that He wouldn't want it this way

No matter what you just gotta hear it again
Sony's curupt and you know it's about money

It isn't strange if Sony wrote this song
Cause it's not Michael and you know its wrong
I don't know what the Hell they're thinkin of
But they're Breakin Rules, they're Breakin Rules

Everybody knows that this song ain't Michael Jackson
They're out here killing the love of Michael Jackson
Just when you thought it was done now its a weapon
You turn your back on His love
And sell a Phony as Him

No matter what you just wanna hear it again
Sony's curupt and you know it's about money

It isn't strange if Sony wrote this song

Cause it's not Michael and you know its wrong
I don't know what the Hell they're thinkin of
But they're Breakin Rules, they're Breakin Rules

It isn't strange if Sony wrote this song
Cause it's not Michael and you know its wrong
I don't know what the Hell they're thinkin of
But they're Breakin Rules, they're Breakin Rules

On the News today they say its MJ
He came all this way for them to take it
OH NO

It isn't strange if Sony wrote this song
Cause it's not Michael and you know its wrong
I don't know what the Hell they're thinkin of

But they're Breakin Rules, they're Breakin Rules

It isn't strange if Sony wrote this song
Cause it's not Michael and you know its wrong
I don't know what the Hell they're thinkin of
But they're Breakin Rules, they're Breakin Rules
