Butterflies

All you gotta do is
Walk away and pass me by
Don't acknowledge my smile
When I try to say hello to you, yeah

And all you gotta do is
Not answer my call when I'm tryin' to get through
Keep me wonderin' why
When all I can do is sigh, I just wanna touch you

I just wanna touch and kiss
And I wish that I could be with you tonight
'Cause you give me butterflies
Inside, inside and I

All I got to say is
That I must be dreamin', can't be real
You're not here with me
Still, but I can feel you near to me

I caress you, let you taste and
Just so blissful, listen
I would give you anything, babe
Just make my dream come true
Oh baby, you give me butterflies

I just wanna touch and kiss
And I wish that I could be with you tonight
'Cause you give me butterflies
Inside, inside and
I just wanna touch and kiss
And I wish that I could be with you tonight
'Cause you give me butterflies
Inside, inside and I

If you will take my hand
Baby, I will show you
Guide you to the light, babe

If you will be my love

Baby, I will love you, love you
'Til the end of time

I just wanna touch and kiss
And I wish that I could be with you tonight
You give me butterflies
Inside, inside and

I just wanna touch and kiss
And I wish that I could be with you tonight
You give me butterflies
Inside, inside and

I just wanna touch and kiss
And I wish that I could be with you tonight
'Cause you give me butterflies
Inside, inside and

I just wanna touch and kiss
And I wish that I could be with you tonight
You give me butterflies
Inside, inside and I
