Ooo...
Yeeeahhh..
Let me be..

Girl I can't stand it no more
Cause you make my heart poor
I don't care if you walk through that door
Cause I don't love you no more
You know I really hate it
And I just can't it no more

[Chorus]
Can I live tonight?
Can I be alive?
Please don't make me die!
(This is the last I give into you)
Can I live tonight?
Don't wanna go to hell!
Please don't turn off the light!
(Why won't you leave me alone)

Why you treat me like a slave
See, we can't take it no more
You're the one I really hate
You won't make me eat no more!
Tell me why...
Why you wanna be that way?

Can I live tonight?
Can I be alive?
Please don't make me die!

(This is the last I give into you)
Can I live tonight?
Don't wanna go to hell!
Please don't turn off the light!
(Why won't you leave me alone)

No one wants to hear it no more
(You treatin' us horribly)
You see, I don't wanna be..
I don't wanna be your baby no more!

Can I live tonight?
Can I be alive?
Please don't make me die!
(This is the last I give into you)
Can I live tonight?
Don't wanna go to hell!
Please don't turn off the light!
(Why won't you leave me alone)

Can I live tonight?
Can I be alive?
Please don't make me die!
(This is the last I give into you)
Can I live tonight?
Don't wanna go to hell!
Please don't turn off the light!
(Why won't you leave me alone)

Can't take it anymore!....
I just can't..
Why don't you leave me alone
