Dancing, dancing, dancing
She's a dancing machine

Ah babe
Move it baby

Automatic Systematic
Full of color self contained
Tune that channel to your vibes

Captivating Stimulating
She's such a sexy lady
Built with space age design
She's moving she's grooving
Dancing until the music stops now

Yeah

Rythmetic acrobatic
She a dynamite attraction
At the drop of a coin she comes alive, yeah
She knows what she's doing

She super bad now
She's geared to really blow your mind
Dancing, dancing, dancing
She's a dancing machine

Ah babe
Do it baby
Dancing, dancing, dancing
She's a dancing machine

Ah babe
Move it baby

She's a dance, dance, dance, dance, dancing machine

Watch her get down, watch her get down
As she do, do, do her thing
Right on the scene

She's a dance, dance, dance, dance, dancing machine
Watch her get down, watch her get down
As she do, do, do her thing
Right on the scene

Come on babe
Come on babe
Babe
Babe

Shake it baby
Shake it babe

Babe
Babe
Babe

Dance
Dance
Dance
Dance

I like it
I like
I love you

Shes a dance, dance, dance, dance, dancing machine
Watch her get down, watch her get down
As she do, do, do her thing
Right on the scene

Shes a dance, dance, dance, dance, dancing machine
Watch her get down, watch her get down
