Are you ready for a real good time my love  
Are you ready for a really good treat  
There'll be so much as it singing (...)  
Are you the girl meant to me  
So, do't be messing around  
Don't be messing around  
Don't be messing around

So, don't be messing around  
Don't be messing around  
Don't be messing around

Then we started (...)  
We can say this little angel cloud  
I'll be so proud if you'd let me know you girl  
Let me love you for a little a while, my sweet

Don't be messing around  
Don't be messing around  
Don't be messing around

So, don't be messing around  
Don't be messing around  
Don't be messing around

Oh, yeah, oh, yeah  
Oh, yeah, oh, yeah

Now she's started to bring a problem to the beat  
I said let's move out on the plan  
She said to keep your mind on lesson  
Won't be no more messin'  
No, No, don't mess with me, are we clear

Don't be messing around  
Don't be messing around  
Don't be messing around

So, don't be messing around  
Don't be messing around  
Don't be messing around

Da-na-na-na-na...  
Pa-pa-ra-pa-ra...

So, don't be messing around  
Don't be messing around  
Don't be messing around

So, don't be messing around  
Don't be messing around  
Don't be messing around

So, don't be messing around  
Don't be messing around  
Don't be messing around

So, don't be messing around  
Don't be messing around  
Don't be messing around
