Don't you say, don't you say, ooh
Don't you make, don't you make, ooh
Make me cry
Make me cry

You had my life
(You had my life)
In the palm of your hand
(The palm of your hand)
Why you threw it away
I'll never, ever understand

You took away the best part
(The best part, best part)
The best part of me
You took away, you
How cruel could you be

You're just another heartache
I've got to learn to take
You're just another habit
I have to learn to break

Am I alone again
(Am I alone)
Am I alone again
(Am I alone)
Am I alone, alone, alone

Don't say goodbye again, don't say goodbye again
Don't make me cry, cry, cry
Don't say goodbye again, don't say goodbye again
Don't make cry, cry, cry again
(Again, again)

The more I try, the more you hurt me, why?
(Tell me why?)
Tell me why?
(Tell me why?)
Tell me why?
(Why?)

(I can take)
I can take an aspirin'
For a bad headache
But what pill for loneliness
Can I take

I can see through you
Just like cellophane
But I need you, baby
Like a star needs fame

You're not another habit
I have to learn to break
Let's try to patch it up
Before it's too late

I'm in love with you
I'm in love with you
I'm in love, in love, in love

Don't say goodbye again, don't say goodbye again
Don't make me cry, cry, cry
Don't say good bye again, don't say goodbye again
Don't make me cry, cry, cry again

The more I try, the more you hurt me, why?
(Tell me why?)
Tell me why?
(Tell me why?)
Tell me why?
(Why?)

Don't have to say, don't have to say
(Don' t say goodbye)
Don't say goodbye
Don't have to make, don't have to make
(Don't make me cry)
Don't make me cry

Don't say goodbye again, don't say goodbye again
Don't make me cry, cry, cry
Don't say good bye again, don't say goodbye again
Don't make me cry
