What about sunrise
What about rain
What about all the things
That you said we were to gain
What about killing fields
Is there a time
What about all the things
That you said was yours and mine
Did you ever stop to notice
All the blood we've shared before
Did you ever stop to notice
The crying Earth, the weeping shores?

Aaaaaaaaaah, Ooooooooooh
Aaaaaaaaaah, Ooooooooooh

What have we done to the world
Look what we've done
What about all the peace
That you pledge your only son
What about flowering fields
Is there a time
What about all the dreams
That you said was yours and mine
Did you ever stop to notice
All the children dead from war
Did you ever stop to notice
The crying Earth, the weeping shores

Aaaaaaaaaah, Ooooooooooh
Aaaaaaaaaah, Ooooooooooh

I used to dream
I used to glance beyond the stars
Now I don't know where we are
Although I know we've drifted far

Aaaaaaaaaah, Ooooooooooh

Hey, what about yesterday
What about the seas
The heavens are falling down

I can't even breathe
What about everything
What about nature's worth
It's our planet's womb

What about animals
We've turned kingdoms to dust
What about elephants
Have we lost their trust
What about crying whales
What about forest trails
Burnt despite our pleas

What about the holy land
Torn apart by creed
What about the common man
Can't we set him free
What about children dying
Where did we go wrong
Someone tell me why

What about baby boy
What about the days
What about all their joy
What about the men
What about the crying man
What about Abraham
What about death again
Do we give a damn

Hoooh x 12
