Miss Lady Girl  
Is putting her love on the shelf  
Cause she don't want  
To be hurt by nobody else

She's taken her heart  
And put it away under lock and key  
But its high time  
Miss Lady Girl sets her heart free and gives her love to  
me

Some think that diamond rings; fancy cars  
Will make a big impression  
But I know that all she needs is my tender  
Love and affection  
Cause she still says

That no one's gonna get it  
No one's gonna get it, oh no  
But someone's gotta get it  
And I feel that I will be the one who will

No one's gonna get it  
No one's gonna get it, oh no  
But someone's gotta get it  
And I know that I will be the one who will

Gonna get it, her love  
Gonna get it, her kisses  
Gonna get it, her heart  
Gonna get it, get it

Miss Lady Girl  
Has buried her feelings deep inside  
Cause she don't want  
To be taken for another ride

She's sick and tired  
Of being on that lonely merry-go-round  
She just don't know  
That the ultimate love of her life is about to be found

They think that ready cash, flashy clothes  
Will fill her life with laughter  
But I've got the very thing that she needs  
True love forever after  
Then no more will she say

That no one's gonna get it  
No one's gonna get it, oh no  
But someone's gotta get it  
And I feel that I will be the one who will

No one's gonna get it  
No one's gonna get it, oh no  
But someone's gotta get it  
And I know that I will be the one who will

Gonna get it, her love  
Gonna get it, her kisses  
Gonna get it, her heart  
Gonna get it, get it
