There's a ghost down in the hall  
There's a ghoul upon the bed  
There's something in the walls  
There's blood up on the stairs  
And it's floating through the room  
And there's nothing I can see  
And I know it bless the tune  
Because now it's huntin' me

Don't understand it  
Don't understand it!

There's a thumpin' in the floor  
There's a creak behind the door  
There's a rocking in the chair  
But nobody seem there  
There's a ghostly smell around  
But nobody to be found  
And a coffin inlay open  
Where a restless soul spokin'

Don't understand it  
Don't understand it  
(Got a ghost gotta break in the walls, Got a ghoul gotta  
break in the halls)

And who gave you the right to shame my family?  
And who gave you the right to scare my baby?, she  
needs me  
And who gave you the right to shake my fabric tree?  
You put a knife in my back  
Shot an arrow on me!  
Tell me are you the ghost of jealousy  
The ghost of jealousy

There's a thumpin' in the floor  
There's a creak behind the door  
There's a rocking in the chair  
But nobody seem there  
There's a ghostly smell around  
But nobody to be found  
And a coffin inlay open

Where a restless soul is spokin'

Don't understand it!

Don't understand it!

(Got a ghost gotta break in the walls, Got a ghoul gotta  
break in the halls)

And who gave you the right to scare my family?

And who gave you the right to scare my baby?, she  
needs me

And who gave you the right to shake my family tree?

And who gave you the right to take intrusion, to see  
me?

And who gave you the right to hurt my family?

And who gave you the right to hurt my baby?, she  
needs me

And who gave you the right to shake my family tree?

You put a knife in my back,

Shot an arrow in me!

Tell me are you the ghost of jealousy

A suckin' ghost of jealousy

And who gave you the right to shame my family?

And who gave you the right to shame my baby?, she  
needs me

And who gave you the right to shake my family tree?

And who gave you the right to take, intrusion to see  
me?

And who gave you the right to hurt my family?

And who gave you the right to hurt my baby?, she  
needs me

And who gave you the right to shake my family tree?

You put a knife in my back

Shot an arrow in me!

Tell me are you the ghost of jealousy

The ghost of jealousy

But is dynamite,

A piece of mine

Tell me are you the ghost of jealousy
