No, no, no  
No, no, no  
(No, no)  
No, no, no

No, no, no  
(No, no)  
No, no, no  
No, no, no

Foolish of me, I couldn't see  
The forest or the trees  
You've been so true  
I've been so cruel to you

Oh, girl, please don't leave me  
If you stay I'll find a way to erase the past  
Baby, don't leave me  
Girl, don't take your love from me, oh, girl

What can I say to make you stay  
Baby, don't leave me  
You've been so kind  
It blows my mind to know

Oh, girl, I really hurt you  
Tell me, girl, it's not too late  
And you give me a chance  
To make it up to you

Don't take your love from me  
Girl, don't take your love, no, no  
Don't take your love

Girl, if you take your love away from me  
I'm gonna be in misery  
You know that it's true that I'm laying upon

How will I make it when it's gone  
Of all the little things I wanted to say  
Or really wanted to do, girl, this time, ooh

Oh girl, I really mean it  
So tell me girl, it's not too late  
And you'll give me a chance  
To make it up to you

Don't take your love from me  
Girl, don't take your love, no, no, no  
Don't take your love  
Don't leave me, girl

Don't take your love from me  
Baby, don't take your love from me  
Don't take your love from me  
Baby, don't take your love from me

Don't take your love from me
