Live and sin

Ten years ago on this day, my heart was yearning

I promised I would never ever be returning

Where my baby broke my heart and left me yearning

As we walked into the room, there were faces

Saring, glaring, tearing through me

Someone said welcome to your doom

Then they smiled with eyes that looked as if they knew
me

This is scaring me

We walked up the stairs still concealing gloom

There were two girls sitting in My room

She walked up to my face

And said this is the place

You said meet you right here at noon

Heartbreak hotel

Heartbreak hotel

Heartbreak hotel

Heartbreak hotel

Hope is dead

She thought that I had cheated for another lover

I turn my back to see that I am undercover
Now I can't convince this girl there ain't no other
Someone's evil to hurt my soul
Every smile's trial thought in beguile
To hurt me
Then the man next door had told
He's been here in tears for fifteen years
This is scaring me
We came to this place, where the vicious dwell
And found that wicked women run this strange hotel
There was Sefra and Sue,
Every girl that I knew
And my baby said love is through
Heartbreak hotel
Heartbreak hotel
Heartbreak hotel
Heartbreak hotel
