If n' I was God, well, just for spite
I wouldn't set the sun at night
'Til everyone was treated right
By everyone else they see

If' n' I was God, I'd fix it so without explaining
Folks who would know, they'd know
What's going on inside
Of everyone else like me

Nobody hurt nobody else
Oh no, I wouldn't let it be
Nobody have a need to pray
Except for thanking me

If n' I was God, I'd make us wise
So everyone could realize
That everywhere beneath the sun
Everyone needs, everyone

And God that in heaven I would do
If n' I were You

If n' I was God, I'd make us wise
Everybody touch everybody's hand
Reach out and touch somebody's hand

You got to, you got to love everybody
You got to, you got to love everybody
You got to, you got to love everybody
You got to, you got to love everybody

You got to, you got to, you got to love everybody
You got to love everybody
You got to, you got to love everybody
Come everybody, come on, come on
