Spoken Intro

Maybe you and I can't do great things  
We may not change the world in one day  
But we still can change some things today  
In our small way

1st Verse

Empty words are not enough  
Where there's hurt, we'll be a crutch  
When there's thirst, we'll fill each other's cup  
Because we care, we love enough to share

Chorus

Maybe you and I can't do great things  
We may not change the world in one day  
But we still can change some things today  
In our small way

2nd Verse

In despair we'll be the hope  
And the prayer that frees the soul  
We'll be there to share each lonely road  
Because we love, I know we care

enough

Chorus

Maybe you and I can't do great things  
We may not change the world in one day  
But we still can change some things today  
In our small way

Bridge

Just a little time is all it takes  
What a difference just a smile can make you'll see  
Love is all we need

Chorus

Maybe you and I can't do great things  
We may not change the world in one day  
But we still can change some things today  
In our small way
