You're just preaching the Bible and they still speakin
you're a liar
And you still deal with the fires
That they made...

dah dah dah dah dah
dah dah dah dah dah
dah dah dah dah dah, you
dah dah dah dah dah
dah dah dah dah dah
dah dah dah dah dah

Why you wanna get me?
Dreams don't last forever
Oooh! no...
Why you wanna fix me?
See, if the police don't take it
God forsake it
I can't take it

Why You Stab Me In The Back?

We're so gonna lose
And she, knows they got this to be
She... I dah dah dah dah dah

dah dah dah dah dah
dah dah dah dah dah
dah dah dah dah dah people

dah dah dah dah dah
dah dah dah dah dah
dah dah dah dah dah

Why you wanna get me?
This dude won't last forever
Why you wanna hit me?
Oooh no baby...
See, if the police don't take it
God forsake it
I'll fell breaking

Why You Stab Me In The Back?

Why you wanna fix me?
Things don't last forever
Why you wanna get me?
We should be together
Why you wanna hit me?
We should be together
Why you wanna get me
See, if the police don't take
God forsake it
I won't do it

Why You Stab Me In The Back

Oooh! (Adlibs/Out)
