If I could tear down these walls that keep you and I
apart
I know I could claim your heart and our perfect love will
start
But girl you just won't approve of the things that I do
When all I do is for you but still you say it ain't cool

If there's somebody else, he can't love you like me
And he says he'll treat you well, he can't treat you
like me
And he's buying diamonds and pearls, he can't do it
like me
And he's taking you all across the world, he can't
trick you like me

[CHORUS]

So why ain't you feelin' me, she's invincible
But I can do anything, she's invincible
Even when I beg and plead, she's invincible
Girl won't give in to me, she's invincible

Now many times I've told you of all the things I would
do
But I cant seem to get through no matter how I try to
So tell me how does it seem that you ain't checking
for me
When I know that I could be more than you could ever
dream

If there's somebody else, he can't love you like me
And he says he'll treat you well, he can't treat you
like me
And he's buying diamonds and pearls, he can't do it
like me
And he's taking you all across the world, he can't
trick you like me

[CHORUS]

Now some way I'll have to prove all that I said I would
do
Giving you everything, fulfilling your fantasy

Then maybe you'll change your mind and finally give
in time
Then I'll be showing you what other men are
supposed to do for you my baby

[RAP]

[CHORUS x 3]
