There's a ghost out in the hall  
There's a goul beneath the bed  
Now it's coming through the walls  
Now it's coming down the stairs

Then there's screaming in the dark  
Hear the beating of his heart  
Can you feel it in the air  
Ghosts be hiding everywhere

Is that scary for you baby  
Am I scary for you oh  
Is it scary for you baby  
Is it scary for you

You know the stranger is you  
Is it scary for you baby

There's a creak beneath the floor  
There's a creak behind the door  
There's a rocking in the chair  
But nobody sitting there  
There's a ghostly smell around  
But nobody to be found  
And a coughin' and a yawnin'  
Where restless soul's spoke

I'm gonna be  
Exactly what you gonna see  
So did you come to me  
To see your fantasies  
Performed before your very eyes

A haunting ghostly treat  
The foolish trickery  
And spirits dancing  
In the light

But if you came to see  
The truth the purity  
It's here inside  
A lonely heart

So let the performance start

[Mix]

Someone is watching me  
The king has rissen  
The king has rissen  
[...]

What you have just witnessed could be the end of a particularly terrifying nightmare.  
It isn't. It's the beginning

[Thriller]

It's close to midnight and something evil's lurking in the dark  
Under the moonlight, you see a sight that almost stops your heart  
You try to scream but terror takes the sound before you make it  
You start to freeze as horror looks you right between the eyes  
You're paralyzed

'Cause this is thriller, thriller night  
And no one's gonna save you from the beast about strike  
You know it's thriller, thriller night  
You're fighting for your life inside a killer, thriller tonight

Darkness falls across the land  
The midnight hour is close at hand  
Creatures crawl in search of blood  
To terrorize y'all's neighborhood

And whoever shall be found without the soul for getting down must stand and  
The foulest stench is in the air  
The funk of forty thousand years  
And grizzly ghouls from every tomb  
Are closing in to seal your doom

And though you fight to stay alive  
Your body starts to shiver  
For no mere mortal can resist  
The evil of the thriller

'Cause this is thriller, thriller night  
There ain't no second chance against the thing with forty eyes, girl

Thriller, thriller night  
You're fighting for your life inside a killer, thriller  
tonight

That this is thriller, thriller night  
'Cause I can thrill you more than any ghost would ever  
dare try  
Thriller, thriller night  
So let me hold you tight and share a  
Killer, diller, chiller, thriller here tonight

'Cause this is thriller, thriller night  
Girl, I can thrill you more than any ghost would ever  
dare try  
Thriller, thriller night  
So let me hold you tight and share a killer, thriller, ow!

Hahahahaha
