[INTRO]

Too Late

Too Late

Too Late

[VERSE 1]

In this automatic age

We shop through the yellow page

Gone is the corner store

There is a supermarket there for you

People give way to change

But feelings remain the same

[CHORUS]

And it's too late, too late to change the time

Well it's too late, too late to change the time

And it's too late, too late to change the time

But it's not too late (too late) to change your mind

[VERSE 2]

It's a new day, a new age

A photograph just taken, is ready one minute later

Cars are bigger and better

But the manufacturer's satisfied never

In a world full of crime

I can't let you think that's right

[CHORUS]

And it's too late, too late to change the time

And it's too late, too late to change the time

And it's too late, too late to change the time

But it's not too late (too late) to change your mind

No, no

[BRIDGE 1]

So you wanna be a star (so you wanna be a star)

You are who you think you are (ah think you are)

You don't have to go further

Than my loving arms

[CHORUS half]

And it's too late, too late to change the time
But it's not too late (too late) to change your mind

[BRIDGE 2]

Are you sure you wanna go to New York City (New York
City)

Where girls make it big if they're pretty (If they pretty)

Let say you get that penthouse view

But who's gonna love you the way I do (just the way i
do)

[CHORUS]

It's too late, too late to change the time

And it's too late, too late to change the time, no

Too late, too late to change the time

But it's not too late (too late) to change your mind

Yeah, yeah, yeah

[CHORUS]

It's too late, too late to change the time

It's too late, too late to change the time

Ooh, too late, too late to change the time

But it's not too late (too late) to change your mind

Yeah, yeah, yeah
