Man In The Mirror  
Michael Jackson  
Written by Siedah Garrett and Glen Ballard.

I'm gonna make a change,  
for once im my life  
It's gonna feel real good,  
gonna make a diference  
Gonna make it right...

As I, turn up the collar on  
my favorite winter coat  
This wind is blowing my mind  
I see the kids in the streets,  
with not enought to eat  
Who am I to be blind?  
Pretending not to see their needs

A summer disregard, a broken bottle top  
And a one man soul  
They follow each other on the wind ya' know  
'Cause they got nowhere to go  
That's why I want you to know

I'm starting with the man in the mirror  
I'm asking him to change his ways  
And no message could have been any clearer  
If you wanna make the world a better place  
(If you wanna make the world a better place)  
Take a look at yourself, and then make a change  
(Take a look at yourself, and then make a change)  
(Na na na, na na na, na na, na nah)

I've been a victim of a selfish kind of love  
It's time that I realize  
That there are some with no home, not a nickel to loan  
Could it be really me, pretending that they're not  
alone?

A willow deeply scarred, somebody's broken heart  
And a washed-out dream

(Washed-out dream)  
They follow the pattern of the wind ya' see  
'Cause they got no place to be  
That's why I'm starting with me  
(Starting with me!)

I'm starting with the man in the mirror  
(Ooh!)  
I'm asking him to change his ways  
(Ooh!)  
And no message could have been any clearer  
If you wanna make the world a better place  
(If you wanna make the world a better place)  
Take a look at yourself, and then make a change  
(Take a look
