He's going to be well

Free and untamed that's how I've grown
Settling down ain't my nature
Roots I'll never own

Oh, your smile
But tell me, ain't your child
How can you cage a bird
Born to be wild

I'm Johnny Raven by and by
Oh, I'm going to leave your nest girl
Another nest to try

Ooh, Johnny Raven
Girl you know I shouldn't have loved you
Yeah, but I gotta leave you
When my restless heart says goodbye

Look at you little girl
You feel love so deep, yeah, yeah
If I could change in a second
I'd change for you like that

Stay right here for keeps
But I'm home free for no thrills
Stray I will
Seems I gotta need one girl
Never can feel

Yeah, I'm Johnny Raven by and by
Oh, I'm going to leave your nest girl
Another nest to try

Ooh, Johnny Raven
Girl you know I shouldn't have loved you
Yeah, but I gotta leave you
When my restless heart says goodbye

Everybody knows my name
I'm Johnny Raven yeah, yeah, by and by

Ooh, I'm gonna fly when you cry
Part of me is gonna die

Ooh, I'm Johnny Raven yeah, yeah, by and by
I'm gonna fly when you cry, yeah
Part of me is gonna die

Johnny, Johnny, Johnny
He's Johnny Raven
Johnny, Johnny, Johnny
He's Johnny Raven
Johnny, Johnny, Johnny
He's Johnny Raven
