There'll be no darkness tonight  
Lady our love will shine(lightning the night)  
Just put your trust in my heart  
And meet me in paradise  
Girl, You're every wonder in this world to me  
A treasure time won't steal away

So let me keep you warm  
Through the shadows of the night  
Let me touch you with my love  
I can make you feel so right  
Just come into my arms  
While the world goes spinnin' by  
And in the glow of candlelight  
I will show you you're the lady in my life

Don't need no fortune or fame  
I just want you close to me  
No time for castles and spades  
Or livin' in make believe  
I'd trade it all for just a rainy day  
As long as I know you'll be there

So listen to my heart  
Lay your body close to mine  
Let me fill you with my dreams  
I can make you feel alright  
And baby through the years  
Gonna love you more each day  
So I promise you tonight  
That you'll always be the lady in my life

Lay back in my tenderness  
Let's make this a night we won't forget  
Girl, I need your sweet caress  
Reach out to a fantasy  
Two hearts in the beat of ecstasy  
Come to me

And I will keep you warm  
Through the shadows of the night

Let me touch you with my love  
I can make you feel so right  
And baby through the years  
Even when we're old and gray  
I will love you more each day  
'Cause you will always be the lady in my life  
Stay with me  
I want you to stay with me  
I need you by my side  
Don't you go nowhere

(Ooh, girl, let me keep you warm)  
Let me keep you warm  
(You are the lady in my life)  
My lady  
(Fill you with the sweetest love)  
Sweetest love  
(Always the lady in my life)  
I wanna touch you, babe

(Lay back in my tenderness)  
(You are the lady in my life)  
(Rock me with your sweet caress)  
(Always the lady in my life)

You're my lady and I love you, girl

(Ooh, girl, let me keep you warm)  
(You are the lady in my life)  
Don't you go nowhere  
(Fill you with the sweetest love)  
I love you, I love you  
(Always the lady in my life)  
I need you, I want you, babe

(Lay back in my tenderness)  
Stay with me  
(You are the lady in my life)  
Don't you go nowhere  
(Rock me with your sweet caress)  
And I love you, babe  
(Always the lady in my life)

Oh, babe  
Don't you go nowhere  
You're my lady  
All through the night

(Ooh, girl, let me keep you warm)  
I wanna keep you warm  
(You are the lady in my life)

In my life, now  
(Fill you with the sweetest love)  
Let me fill you, babe  
(Always the lady in my life)  
All over, all over, all over

(Lay back in my tenderness)  
Lay back with me  
(You are the lady in my life)  
Let me touch you, girl  
(Rock me with your sweet caress)  
Lay back with me  
(Always the lady in my life)  
All over, all over, all over

(Ooh, girl, let me keep you warm)  
All over, all over, all over, all over, babe  
(You are the lady in my life)  
(Fill you with the sweetest love)  
(Always the lady in my life)  
You're my lady  
(Lay back in my tenderness)  
You're my lady, babe
