Chorus 2x

Bridge

If you was me what would you do
Always a lie, and never the truth
Now as for me I'm moving on
You always be my baby

Chorus

Baby I just had to let you go for now, though I could
take it for a while maybe I could make it back around
baby I just have to live my life.
For now can't see me changing for a while if I could
make it back around.

Verse

Anything that I want I could get it boy.
You know you turn me on and on that's why I switch my
frame of mind of being there when you call always on
time.
I'm looking to spread my wings and party, everything
and for everybody, I need my space my time alone its
like our hearts don't match no more, see anything that
you want you could get it boy.
You know I still got love for you in court I plea the 5th
my baby.

Chorus

Verse

When you was cheating you was probably thinking I
won't sense a thing but love got a funny way of
catching up
To lies your lies can't look me straight in the eyes I'm
not surprised that you hurt me baby but why me baby
just let me breathe and I'll fly free babe.
If you were me what would you do always a lie and
never the truth now as for me I'm moving on you'll
always be My baby

Ja's Verse

Why in the world would you wanna leave me girl is it
Something I did you felt that wasn't right home
I know a bitch could do bad on her own you're not alone
The way you hurt me baby shit why me baby
I be in pain a little but I live without you with the love
It is as long as it lets you go you feel the need to relax
with your baby who else would to hold you and sex you
crazy
R.U.L.E come on holla at me

Chorus 4x

Bridge

If you was me what would you do Always a lie, and
never the truth Now as for me I'm moving on
You always be my baby
