Lookin through the window  
the window to your heart,  
ooh baby yeah

I can see its cloudy  
the rains about to start

Lookin through the window  
it seems i caused your fear  
yeah, yeah, yeah

And the little doubt girl  
(little doubt girl)  
and now its bring tears

(remember)  
Just remember whatever makes you feel that way Don't  
you worry cause i'm gonna stay right by your side (by  
your side) so keep on lookin through the window  
looking in your eyes (lookin lookin in your eyes, lookin  
lookin in your eyes)

Lookin through the window  
(looking through the window)  
oow, seems like the only way  
yeah, i can know your feelings  
If you still love me today

(Remember)  
Just remember whatever makes you feel that way Don't  
you worry cause i'm gonna stay right by your side (by  
your side) so keep on lookin through the window  
looking in your eyes (lookin lookin in your eyes, lookin  
lookin in your eyes)

Lookin through the window  
the window to your heart

Lookin through the window  
the window to your heart

Lookin through the window  
the window to your heart

sa da da da da da aha da da da da aha..  
ooh baby  
sa da da da da da aha
