1st Verse

Love is here

And oh my darling, now you're gone

Love is here

And oh my darling, now you're gone

You persuaded me to love you

And I did

But instead of tenderness

I found heartache instead

Into your arms I fell

So unaware of the loneliness

That was waiting there

Spoken

You closed the door to your heart, girl

And you turned the key

Locked your love away from me

2nd Verse

Love is here

And oh my darling, now you're gone

You made me love you

And oh my darling, now you're gone

You said loving you

Would make life beautiful

With each passing day

But as soon as love came

Into my heart

You turned and you walked

Just walked away

Spoken

You stripped me of my dreams

You gave me faith, then you took my hope

Look at me now

3rd Verse

Look at me

See what loving has done to me

Look at my face

See how cryin' has left its trace

After you made me all your own

Then you left me all alone

You made your words sound so sweet

Knowing that your love I couldn't keep

Spoken
My heart cries out for your touch
But baby, you're not there
And the lonely cry fades in the air
4th Verse
Love is here
And oh my darling, now you're gone
Love is here
And oh my darling, now you're gone
You made me love you
Oh oh my darling, now you're gone
Talking 'bout love, love, love, love,
Ooh ooh my darling, now you're gone
Written and Composed by Brian Holland, Lamont
Dozier and Eddie Holland
