I don't know how many stars there are up in the
heavenly sky
I only know my heaven is here on earth
Each time you look into my eyes, the way you do, baby
Thank you, thank you, baby

My beautiful bird you have flown away
I held you too tight, I can see
You're all I need to get by
No one else could make me cry the way you do, baby

You are the book that I read each day
You are the song that I sing, gonna sing it to you
You are the four seasons of my life
But maybe tomorrow you'll change your mind, girl
Maybe tomorrow you'll come back to my arms, girl
Maybe she won't

Tomorrow
Tomorrow
Tomorrow
Tomorrow
Maybe

You're all I need to get by
No one else could make me cry the way you do, baby

'Cause you are the book that I read each day
You are the song that I sing, gonna sing it to you
You are the four seasons of my life
But maybe tomorrow you'll change your mind, girl
Maybe tomorrow you'll come back to my arms, girl

You are the book that I read each day
You are the song that I sing
You are the four seasons of my life
But maybe tomorrow you'll change your mind, girl
Maybe tomorrow you'll come back to my arms, girl
Maybe tomorrow
