I don't know how many stars there are
Up in the heavenly sky
I only know my heaven is here on earth
Each time you look into my eyes

The way you do, baby
Thank you, thank you, baby

My beautiful bird you have flown away
I held you too tight, I can see

You're all I need to get by
No one else can make me cry
The way you do, baby

You are the book that I read each day
You are the song that I sing, gonna sing it to you
You are the four seasons of my life

But maybe tomorrow you'll change your mind, girl
Maybe tomorrow you'll come back to my arms, girl

Maybe
You're all I need to get by
No one else can make me cry
The way you do, baby

You are the book that I read each day
You are the song that I sing, gonna sing it to you
You are the four seasons of my life

But maybe tomorrow you'll change your mind, girl
Maybe tomorrow you'll come back to my arms, girl

You are the book that I read each day
You are the song that I sing
You are the four seasons of my life

But maybe tomorrow you'll change your mind, girl
Maybe tomorrow you'll come back to my arms, girl

You are the book that I read each day, yeah

You are the song that I sing, gonna sing it to you
You are the four seasons of my life

But maybe tomorrow you'll change your mind, girl
Maybe tomorrow you'll come back to my arms, girl

Oh, honey, I need you
You are the song that I sing
You are the four seasons of my life

But maybe tomorrow you'll change your mind, girl
Maybe tomorrow you'll come back to my arms, girl

You are the same girl I see
