Money  
Money

Lie for it  
Spy for it  
Kill for it  
Die for it

So you call it trust  
But I say it's just  
In the devil's game  
Of greed and lust

They don't care  
They'd do me for the money  
They don't care  
They use me for the money

So you go to church  
Read the Holy Word  
In the scheme of life  
It's all absurd

They don't care  
They'd kill for the money  
Do or dare  
The thrill for the money

You're saluting the flag  
Your country trusts you  
Now you're wearing a badge  
You're called the 'Just few'

And you're fighting the wars  
A soldier must do  
I'll never betray or deceive  
You my friend but

If you show me the cash  
Then I will take it  
If you tell me to cry  
Then I will fake it

If you give me a hand  
Then I will shake it  
You do anything for money

Anything, anything  
Anything for money  
Would lie for you  
Would die for you  
Even sell my soul to the devil

Anything, anything  
Anything for money  
Would lie for you  
Would die for you  
Even sell my soul to the devil

Insurance?  
Where do your loyalties lie?  
Is that your alibi?  
I don't think so

You don't care  
You do it for the money  
Say it's fair  
You sue her for the money

Want your pot of gold  
Need the Midas touch  
Bet you sell your soul  
'Cause your God is such

You don't care  
You kill for the money  
Do or dare  
The thrill for the money

Are you infected with the same disease  
Of lust, gluttony and greed? then watch the one's  
With the biggest smiles, the idle jabbers  
'Cause they're the backstabbers

If you know it's a lie  
Then you will swear it  
If you give it with guilt

Then you will bear it  
If it's taking a chance  
Then you will dare it  
You do anything for money

Anything, anything

Anything for money  
Would lie for you  
Would die for you  
Even sell my soul to the devil

Anything, anything  
Anything for money  
Would lie for you  
Would die for you  
Even sell my soul to the devil

Anything, anything  
Anything for money  
Would lie for you  
Would die for you  
Even sell my soul to the devil

Anything, anything  
Anything for money  
Would lie for you  
Would die for you  
Even sell my soul to the devil

You say you wouldn't do it  
For all the money in the world  
I don't think so

If you show me the man  
Then I will sell him  
If you ask me to lie  
Then I will tell him  
If you're stealing with God  
Then you will hell him  
You do anything for money

Anything  
Anything for money  
Would lie for you  
Would die for you  
Even sell my soul to the devil

Anything, anything  
Anything for money  
Would lie for you  
Would die for you  
Even sell my soul to the devil

Anything, anything  
Anything for money  
Would lie for you  
Would die for you

Even sell my soul to the devil

Anything, anything  
Anything for money  
Would lie for you  
Would die for you  
Even sell my soul to the devil

Anything, anything  
Anything for money  
Would lie for you  
Would die for you  
Even sell my soul to the devil

Anything, anything  
Anything for money  
Would lie for you  
Would die for you  
Even sell my soul to the devil

Anything, anything  
Anything for money  
Would lie for you  
Would die for you  
Even sell my soul to the devil

Anything, anything  
Anything for money  
Would lie for you  
Would die for you  
Even sell my soul to the devil
