She said she wants a man  
To always understand  
But that's all right for her  
Still it ain't enough for me

She said she wants a guy  
To keep her satisfied  
But that's all right for her  
But it ain't enough for me  
Still, I don't care if he's young or old  
(Just make him beautiful)  
I just want someone I can hold on to

I want muscles  
All, all over his body  
(Make him strong enough)  
(From his head down to his toes)  
I want muscles  
All, all over his body  
(Make him strong enough)  
(From his head down to his toes)

They say they have to see  
His real personality  
But that's all right for them  
Still it ain't enough for me  
But I need what the eyes can see  
Ah, his anatomy  
If that's all right for them  
Still it ain't enough for me

I don't care if he's young or old  
(Just make him beautiful)  
I just want some strong man  
To hold on to

I want muscles  
All, all over his body  
(Make him strong enough)  
(From his head down to his toes)

I want muscles

All over his body  
(Make him strong enough)  
(From his head down to his toes)

Muscle man  
I want to love you  
In the sun  
Oil on your body  
Come with me  
Lie in the cascades  
Let this be  
We've got this thing made  
All sexy out in the desert  
Stay with me  
You won't regret it  
Take this love  
So deep to swim in  
Come to me  
And let my love in

Said she wants a man  
To always understand  
But that's all right for her  
Still it ain't enough for me  
I don't care if he's young or old  
(Just make him beautiful)  
I just want someone I can hold on to

I want muscles  
All, all over his body  
(Make him strong enough)  
(From his head down to his toes)  
I want muscles  
All over me  
All over me  
(I want muscles)

All over his body  
I want muscles  
I want all I can get  
All over him  
All over him  
All over him  
I want muscles  
Muscles  
Muscles  
Muscles  
Muscles
